

# NINA HEPBURN

## A MELODIC JOURNEY BETWEEN HOUSE AND TECHNO

Nina Hepburn' takes her audience on an extraordinary journey, from various facets of house and techno. Her sets are more than just individual tracks; they playfully combine to form a total work of art, corresponding with each other and entering into a continuous dialogue between tracks that creates new energies, appealing to a wide audience, even those who aren't typically drawn to club music.

In her hometown Hamburg, Nina recently sold out her first event this year, delivering an impressive 6-hour extended set. Last year, she celebrated the launch of her debut EP, marking a significant milestone that highlights her versatility as a producer. This success was followed by a remix for the renowned artists Avidus and the single release 'Ninamoon'.

Nina Hepburn is a regularly booked guest at some of Germany's most prestigious clubs and festivals. Her bookings have taken her to various countries, including Denmark, Madeira, Poland, Czech Republic, and even Mauritius.
